

REMARKS

Claims 1 through 116 are currently pending in the application and subject to an Election of Species Restriction Requirement.

Applicants hereby elect, without traverse, to prosecute the species of invention as set forth in claims 1 through 8, 13 through 43, 49 through 56, 62 through 82, 88 through 91, 97 through 104, and 110 through 116, illustrated in drawing Fig. 3.

Applicants consider claims 1, 27, 40, 49, 75, 88, and 97 to be generic, and note that upon allowance of a generic claim, claims 2 through 26, 28 through 39, 41 through 74, 77 through 87, 89 through 96, and 98 through 116 depending therefrom in a non-elected species would also be allowable.

Applicants request an action on the merits of claims 1 through 8, 13 through 43, 49 through 56, 62 through 82, 88 through 91, 97 through 104, and 110 through 116.

Respectfully submitted,

James R. Duzan
